

Finance Leadership Program (FLP)

The Digitalised Learning Experience

What is the Finance Leadership Programme (FLP)?

- A programme that is available to a selected few, who meet CIMA's entry requirements.
- Created to focus on critical skills for the global finance professional.
- A transformational learning experience which focuses on application of knowledge through business simulations and interactive exercises.
- You control your learning experience, learn at your own pace in your own time.
- Complete a qualification equal to a Masters Degree by completing just 3 formal examinations
- Use your experience to your advantage, build on your strengths by applying your knowledge in case studies

About Imperial College of Business Studies (ICBS)

ICBS' history dates back to 1985 when we were known as CBS, a pioneer in CIMA education in Sri Lanka, giving us an edge of being one of the oldest business schools in Sri Lanka.

Currently ICBS, is one of the fastest growing education providers, having coached over 50,000 students to date. ICBS also has the exclusive privilege to train the Armed forces of Sri Lanka (SL Navy & SL Army) for CIMA exams. ICBS is the only institute in Sri Lanka, selected by CIMA Sri Lanka division on multiple occasions to conduct "Train The Trainer" (TTT) programme for lecturers from various countries.

ICBS was accredited by CIMA (UK) as a 'Learning Partner Institute' in 2004, making us one of the first institutes in Sri Lanka to receive this prestigious Status, assuring the highest quality of delivery. With a branch in Kandy that was also accredited as a Learning Partner Institute in 2013, ICBS became the only institute in South East Asia, the Middle East and North Africa to have 2 Premium Learning Partner Institutes.

Why ICBS for FLP?

- The ONLY tuition partner to have coached students through their FLP journey in Sri Lanka, to date.
- The ONLY tuition partner across the globe with, experience of guiding students across 3 exam diets through the FLP route.
- The ONLY tuition partner to boast of a panel of lecturers consisting of extensive international teaching experience, across multiple countries.
- A world-class Learning Management System (LMS) which ensures you have access to learning support 24/7 through a combination of recorded and live classes.
- A comprehensive training plan to cater to your needs and guarantee your success.
